

Accommodations are Evolutions: permanent and for everyone

The Intensives Institute additions:

working hours	 chronotype	 illness	 childcare needs
tidiness	 ADHD	 fatigue	 big project
sound	 autism	 migraine	 audio engineering
focus style	 intensiveness	 deadline	 personal crisis

The Intensives Institute
Leela Sinha

	Permanent	Temporary	Situational
Touch	 One arm	 Arm injury	 New parent
See	 Blind	 Cataract	 Distracted driver
Hear	 Deaf	 Ear infection	 Bartender
Speak	 Non-verbal	 Laryngitis	 Heavy accent

Inclusive
A Microsoft Design Toolkit

Microsoft made this chart about inclusion. But at the Intensives Institute we think it's missing some key pieces.
